Shaderlog Slg 2 Resident Evil 5 Free 41! If you are a fan of shaderlog, this is your next step. It's a software utility that will let you change any color to any other color in the game. For example, if you want to make green look like brown or yellow look like red, then use shaderslog and change it to your liking! Of course, we recommend that you use the free version because the trial version will expire and log off after 15 minutes. Get involved today and see what other users like yourself end up creating with it. Shaderlog Slg 2 Resident Evil 5 Free 41! If you are a fan of shaderlog, this is your next step.
